Urgent Requests

Check this box only if you need an expedited response. For Part B drug requests, standard response time is 72 hours. Expedited response time is 24 hours. For all other requests, standard response time is 3-14 calendar days. Expedited response time is 72 hours.

This is an urgent request. Waiting more than 72 hours (or more than 24 hours for a Part B drug) could harm the member's health.
